# 1000 Hrs

## Long-lasting Led UV Light Beads

### Sapphire Mirror

Same sapphire mirror as Apple lens encapsulation, stronger protection performance, close zero loss,

### Chip: 0.25\*0.5 millimeter

Chip as this as hair, utilize 3rd generation integration in semi-conductor technology.

### Stand: Gold Coating Film

99.9% of gold coating stand, better heat dissipation, guarantee life of LED light beads and stable energy output.

### Base

LED UV Light Beads Formed

### LED UV Light

# PROTECTION & SAFETY DESIGN

Auto shut-off when lid is open

# COMPACT, EASY TO CARRY

Almost the same size as ordinary handbag professional sterilizer that can be carried

# PRODUCT SPECIFICATION

Brand name HEALTH GUARD

---

Model No HSU-015

---

Model name UVC-LED STERILIZING BAG

---

Led wavelength 260-280nm

---

Rated input 5V / 1A

---

Sterilization time 3 MINUTES

---

Lamp life >1000 HOURS

---

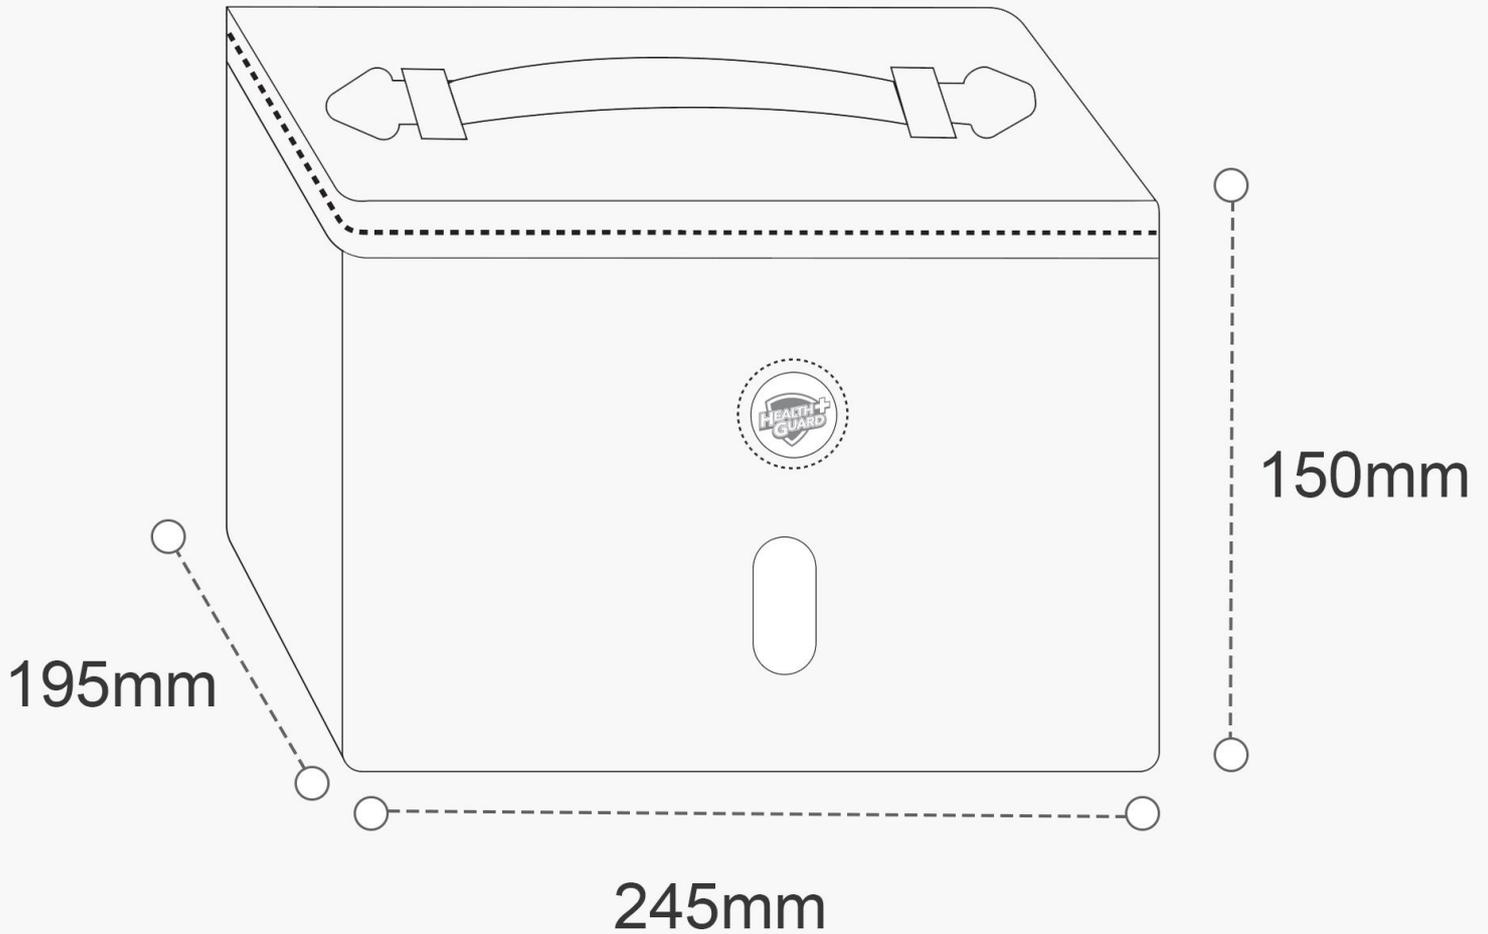

Irradiance  $\geq 5000 \mu\text{W}/\text{cm}^2$

---

Number of led beads UVC+UVA 5MW/\*24PCS

---
